## UNITED STATES ARMY PRE-FILLED TOUCH-UP KITS

MILSPRAY's pre-filled CARC touch-up kits are self-contained with all items required to perform minor touch-up, such as protective gloves, sanding block, and lint-free tack cloth. Because of the small quantity of paint that is contained in each individual kit they can be shipped by standard commercial means without incurring hazardous material handling fees. They are available with aerosol, brush, or roller applicators.

MILSPRAY is a QPL manufacturer and an ARL authorized supplier of MIL-DTL-64159 TY III Water Dispersible CARC

### UNITED STATES ARMY PRE-FILLED TOUCH-UP KITS

<b>TECHNICAL INFORMATION</b>	CARC Material.....MIL-DTL-64159 TY III CARC (Water Borne Camouflage)	Dry Time Touch*.....45-60 min *@77°F/25°C
	Volume.....70ml / 2.37 ounces	Dry Time Handle*.....6-8 hrs
	Kit Coverage.....2 to 3 sq ft @ 1 MIL DFT	Recoat Time*.....8-10 hrs
	Quart Coverage.....100 sq ft @ 1 MIL DFT	VOC......84 lb/gal as applied
	Recommended DFT.....1.8 - 2.3 mils	Storage Temp.....50-80°F
	Pot Life.....4 hrs	Shelf Life.....1 yr
	Brush and Roller applications may require 2 coats to achieve desired DFT
