

## Law Enforcement Support Office (LESO) | 1033 Program

	Image	Name/Description	PART NO.	Price	
1		<b>HIGH WATER FORDING KIT</b> Allows for vehicle operation in up to 5ft of water in certain conditions. Ideal for use during floods. Includes air intake snorkel, exhaust extension, complete engine sealing, and installation.	1033HWFK	\$5,495.00	
2		<b>Vehicle Repaint</b> Complete conversion from military to municipal color schemes. Customer specified colors. Includes minor bodywork, surface preparation or blasting, and repaint. Price shown is for Humvee exterior. Pricing for interior and other vehicle types available upon request.	1033VR	\$3,975.00 (1-Color)  \$4,975.00 (Two-Tone)	
3		<b>Tough Coat Bedliner</b> The ultimate bedliner and the only one approved by the U.S. Marine Corps. Intended for beds and other high wear areas of vehicles. Protects municipal vehicles for years beyond their normal life.	1033TCB	\$2,973.00	
4		<b>Hard Top- Cab Only</b> Aluminum cab hard top fits to your existing hard doors and includes a rear window. Excellent replacement for canvas tops. Allows for full use of Humvee bed. Can be painted any color or with our Tough Coat Bedliner.	1033HTCO	\$3,900.00	
5		<b>Hard Top – Full Vehicle</b> Aluminum full vehicle hard top. Includes three windows, one on each side and rear. Rear of cap opens up to allow for full bed access. Painted or Tough Coated.	1033HTFV	\$4,800.00	

	Image	Name/Description	PART NO.	Price	
6		<b>Slant Back Hard Top – Bed Only</b> Covers bed area only and has rear door that raises up to provide access to bed contents. Aluminum hard top painted any color.	1033SBHTBO	\$2,900.00	
7		<b>Slant Back Hard Top- Full Vehicle</b> Covers entire cab and bed. Has rear door that opens upward to allow for easy access. Fits snug with existing hard style doors. Aluminum hard top painted any color.	1033SBHTFV	\$5,900.00	
8		<b>Evacuee Transport Kit</b> Offers additional height inside of bed area to allow for entry and seating for up to 8 evacuees plus driver and first responder (passenger). Kit includes hard top, bench seating for up to 8 evacuees, and fold down steps for entry.	1033ETK	\$8,773.00	
9		<b>Hard Doors (Full) - Aluminum</b> Aluminum doors come with a tinted slide window and armrest with drink holder. Excellent replacement for canvas doors. Doors can be painted any color to match existing vehicle paint finish. Each door can be locked. Priced Individually.	1033HDFA	\$673.00	Each
10		<b>Hard Doors (1/2) - Aluminum</b> Aluminum ½ height vehicle doors. Painted any color. Priced individually.	1033HDHA	\$373.00	Each

	Image	Name/Description	PART NO.	Price	
11		<b>Bullet Resistant Armoring Kit</b> Adds a layer of bullet resistant protection to all doors and windows adding up to 44 pounds per door. There is also a bullet resistant partition separating cab occupants from the cargo compartment. Our ballistic resistant panels offer UL Level-III/ 752 protection that can stop a Magnum Semi-Wadcutter. The system also meets National Institute of Justice (NIJ) Level-III A.	1033BRS	\$7,042.00	
12		<b>High Back All Weather Seating</b> Comfortable replacements for the standard military issued seat. Each seat is installed with brackets and slides to allow for seat adjustments not possible with standard 1033 vehicle seats. Priced individually.	1033HBAWS	\$445.00	Each
13		<b>Roof Rack</b> Large roof rack with integrated light mounting brackets. This roof rack is not just for show but is highly functional and allows for the secure transport of emergency response equipment and supplies.	1033RR	\$1,775.00	
14		<b>Keyed Ignition</b> We replace the standard switch ignition found in all military Humvees with a high quality keyed one. This provides a theft deterrent and limits use of the vehicle to key holders only.	1033KI	\$345.00	Each
15		<b>Municipal Lettering and Crests</b> We supply custom vinyl lettering and town crests for your 1033 vehicle.	1033MLC	From \$375.00	Each

	Image	Name/Description	PART NO.	Price	
16		<b>Undercarriage Coatings</b> A thick black protective coating that acts as a waterproofing agent and protects critical components from road debris. The ultimate corrosion prevention treatment that gives your wheel wells and visible components a great appearance.	1033UC	\$1,973.00	
17		<b>Maintenance Services</b> We provide all types of 1033 maintenance services including routine and scheduled maintenance as well as major mechanical repairs. You can trust us to provide the same level of service as we have to the United States Military for over a decade.	1033MS	\$500.00 work estimate fee
